

Privacy Policy

Data controller within the meaning of data protection laws, in particular the EU General Data Protection Regulation (GDPR), is: eQuentus GmbH Strehlgasse 16 6430 Schwyz
Email: kontakt@equentus.ch Website: <https://equentus.ch/>

General Note

Based on Article 13 of the Swiss Federal Constitution and the federal data protection provisions (Data Protection Act, DPA), every person has the right to protection of their privacy and to protection against misuse of their personal data. The operators of these sites take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this privacy policy. In cooperation with our hosting providers, we make every effort to protect the databases as well as possible against unauthorised access, loss, misuse or falsification. We would like to point out that data transmission over the Internet (e.g. when communicating by e-mail) can have security vulnerabilities. Complete protection of data against access by third parties is not possible. By using this website, you consent to the collection, processing and use of data in accordance with the following description. This website can generally be visited without registration. Data such as pages accessed or the name of the file accessed, date and time are stored on the server for statistical purposes, without this data being directly related to your person. Personal data, in particular name, address or e-mail address, are collected as far as possible on a voluntary basis. No data will be disclosed to third parties without your consent.

Editing personal data

Personal data means any information relating to an identified or identifiable natural person. A data subject is a person about whom personal data is processed. Processing means any operation or set of operations which is performed on personal data, irrespective of the means and procedures used, in particular the retention, disclosure, collection, erasure, storage, alteration, destruction and use of personal data. We process personal data in accordance with Swiss data protection law. Otherwise, insofar as and to the extent that the EU GDPR applies, we process personal data on the following legal bases in connection with Art. 6(1) GDPR:

- lit. a) Processing of personal data with the consent of the data subject.
- Processing of personal data for the performance of a contract with the data subject

(lit. b).

person and for the implementation of corresponding pre-contractual measures

- lit. c) processing of personal data for compliance with a legal obligation to which we are subject

Subject to any applicable law of the EU or any applicable law of a country in which the GDPR applies in whole or in part.

- (d) Processing of personal data is necessary to protect the vital interests of the data subject.

To protect a person or another natural person.

- lit. f) Processing of personal data for the legitimate interests of us or of to safeguard the interests of third parties, unless the fundamental freedoms and fundamental rights and interests of the data subject prevail. Legitimate interests are, in particular, our commercial interest in being able to provide our website, information security, the enforcement of our own legal claims and compliance with Swiss law.

We process personal data for the period necessary for the respective purpose or purposes. In the case of longer retention obligations due to legal and other obligations to which we are subject, we restrict processing accordingly.

Cookie Policy

This website uses cookies. These are small text files that allow specific, user-related information to be stored on the user's device while they are using the website. Cookies enable us, in particular, to determine the frequency of use and the number of users of the pages, to analyse site usage behaviour, and also to make our offering more customer-friendly. Cookies remain stored beyond the end of a browser session and can be retrieved when the site is visited again. If you do not wish this, you should set your internet browser to refuse the acceptance of cookies. A general objection to the use of cookies deployed for online marketing purposes can be lodged for many services, especially in the case of tracking, via the US website <http://www.aboutads.info/choices/> or the EU website <http://www.youronlinechoices.com/>. Furthermore, you can prevent the storage of cookies by disabling them in your browser settings. Please note that if you do so, you may not be able to use all functions of this online offering.

Custom Range Measurement

This website exclusively uses a self-operated, proprietary audience measurement system on our own infrastructure. No third-party services are used, and no data are transmitted to third parties or to third countries.

On each page view, we record and store the page accessed, the referral source (referrer), the browser type, the language set, the time, and the IP address of the accessing device. No cookies are set for this measurement and no cross-device user profiles are created.

The purpose of processing is the statistical analysis of the use of our website so that we can provide our content and services in a technically secure, needs-oriented manner and continuously improve them. The legal basis is our legitimate interest (Art. 6(1)(f) GDPR) and the corresponding provisions of the Swiss Data Protection Act (DSG).

The collected data remains exclusively with us and is not passed on to third parties. We store it only for as long as is necessary for the stated purpose, and then delete it.

Privacy Policy for SSL/TLS Encryption

This website uses SSL/TLS encryption for security reasons and to protect the transmission of confidential information, such as requests you send to us as the site operator. You can recognise an encrypted connection by the browser's address bar switching from "http://" to "https://" and by the padlock symbol in your browser bar. When SSL or TLS encryption is activated, the data you transmit to us cannot be read by third parties.

Privacy policy for server log files

The provider of this website automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- Browser type and version
- Operating System Used
- Referrer URL
- Accessing computer hostname
- Server request time

This data cannot be attributed to specific individuals. This data is not combined with other data sources. We reserve the right to subsequently review this data if we become aware of specific indications of unlawful use.

Privacy Policy for Contact Form

If you send us enquiries via the contact form, your details from the enquiry form, including the contact data you provided there, will be stored by us for the purpose of processing the enquiry and in case of follow-up questions. We will not pass on this data without your consent.

Contractual benefits

We process the data of our contractual partners and prospective customers as well as other principals, clients, customers, or contractual partners (uniformly referred to as "contractual partners") in accordance with the data protection provisions of the Federal Act on Data Protection (FADP) and the EU General Data Protection Regulation (GDPR) pursuant to Art. 6 para. 1 lit. b GDPR in order to provide our contractual or pre-contractual services to them. The data processed in this context, its type, scope, purpose, and necessity of processing are determined by the underlying contractual relationship. The processed data includes master data of our contractual partners (e.g., names and addresses), contact data (e.g., e-mail addresses and telephone numbers), as well as contract data (e.g., services utilised, contract contents, contractual communication, names of contact persons) and payment data (e.g., bank details, payment history). As a matter of principle, we do not process special categories of personal data, unless these are part of an assigned or contractually mandated processing. We process data that is necessary to establish and fulfil contractual services and, if it is not evident to the contractual partners, we point out the necessity of providing such data. Disclosure to external persons or companies only takes place if it is required within the framework of a contract. When processing data provided to us within the scope of an assignment, we act in accordance with the instructions of the principals and the statutory requirements. When using our online services, we may store the IP address and the time of the respective user action. Storage takes place on the basis of our legitimate interests as well as the interests of the users in protection against misuse and other unauthorised use. As a matter of principle, this data is not passed on to third parties unless it is necessary for the pursuit of our claims pursuant to Art. 6 para. 1 lit. f GDPR or there is a legal obligation to do so pursuant to Art. 6 para. 1 lit. c GDPR. The data is deleted when it is no longer required for the fulfilment of contractual or statutory duties of care and for handling any warranty and comparable obligations, with the necessity of retaining the data being reviewed at irregular intervals. In all other respects, the statutory retention obligations apply.

Copyright

The copyright and all other rights in the content, images, photos or other files on the website belong exclusively to the operator of this website or the specifically named rights holders. The written consent of the copyright holder must be obtained in advance for the reproduction of any files. Anyone who infringes copyright without the consent of the respective rights holder may be liable to prosecution and, where applicable, liability for damages.

General Disclaimer

All information on our website has been carefully checked. We strive to keep our information up to date, correct and complete. Nevertheless, the occurrence of errors cannot be entirely ruled out, and we therefore cannot guarantee the completeness, accuracy and timeliness of information, including information of a journalistic or editorial nature. Liability claims arising from material or non-material damage caused by the use of the information provided are excluded, unless there is demonstrable intent or gross negligence. The publisher may, at its own discretion and without prior notice, modify or delete texts and is under no obligation to update the content of this website. Use of and access to this website is at the visitor's own risk. The publisher, its clients or partners shall not be liable for any damage, whether direct, indirect, incidental, specifically foreseeable or consequential, allegedly arising from visiting this website, and therefore accept no liability in this regard. The publisher also assumes no responsibility or liability for the content and availability of third-party websites accessible via external links on this website. The operators of linked pages are solely responsible for their content. The publisher hereby expressly distances itself from all third-party content that may be relevant under criminal or liability law or that violates common decency.

Changes

We can adapt this privacy policy at any time without prior notice. The current version

published on our website applies. Insofar as the privacy policy forms part of an agreement with you, we will inform you of the change by email or in another suitable manner in the event of an update.

Questions for the Data Protection Officer

If you have any questions about data protection, please email us or contact the person responsible for data protection listed at the beginning of the privacy policy in our organisation.
